Dear Graduating Senior:

Congratulations on reaching the beginning stages of adulthood. It is with our hope and desire that your experience in Felix Ventures Foundation has brought you personal growth, professional development, and personal relationships that will last a lifetime.

We would like to recognize those who have been deeply dedicated to Felix Ventures with a Scholarship. Scholarship consideration is based on our assessment of your dedication to the program throughout your high school years, giving special attention to active participation during your junior and senior years. Scholarship recipients must be FVF Seniors who represent and live by the values in our Code of Conduct and have shown to be positive and helpful members of the Felix Ventures Foundation. Even so, Felix Grossman and the FVF staff reserve the right to amend the criteria as they see fit so that eligible Senior Venturers can receive a Scholarship Award based on their level of participation and dedication. Your Award will also be influenced by a well-written essay, your G.P.A., and all certificates & awards you earned from all your years in the program.

Scholarship Applicants must submit an application, a letter of recommendation and a written essay. Please submit your complete applications to ContactUs@felixventures.org or at the office during open office hours in Room L1. Office number: (626) 933-8902
